Dear Valued Customer,

I am proud to announce that Zellar Sanitation has purchased Hiawatha Shores Recycling and Disposal. We will be transitioning all of Hiawatha Shores customers to Zellar Sanitation in the next few of weeks. This union between Hiawatha Shores and Zellar Sanitation will allow us to provide a consistent, more efficient service to (you) the customer. As we make our way through this transition, there will be some changes. These changes include routes, pick up times and pick up days, route trucks, and route drivers.

To our Commercial customers. We are changing to a flat rate fee. This will allow our drivers and trucks to be more efficient. The time and money we save will be passed on to you the customer. The new rates for commercial boxes are listed below.
